The Job: A Fox And O'Hare Novel, Book 3

Synopsis

He's a charming con man and she's a dedicated FBI agent, and they're about to drive each other crazy . . . again! The FBI had one demand when they secretly teamed up Special Agent Kate O'Hare with charming con man Nicolas Fox - bring down the world's most-wanted and untouchable felons. This time it's the brutal leader of a global drug-smuggling empire. The FBI doesn't know what their target looks like, where he is, or how to find him, but Nick Fox has a few tricks up his sleeve to roust this particular Knipschildt chocolate-loving drug lord. From the streets of Nashville to the back alleys of Lisbon, from the rooftops of Istanbul to the middle of the Thames, Nick and Kate chase their mark. When they find themselves pitted against a psychopathic bodyguard and a Portuguese enforcer who gets advice from a pickled head, they decide it's time to enlist some special talent - talent like a machete-wielding Somali pirate, a self-absorbed actor, an Oscar-winning special effects artist, and Kate's father Jake, a retired Special Forces operative. Together they could help make this Fox and O'Hare's biggest win yet . . . if they survive.

Review originally posted on my blog www.LifeWithJoyBlog.wordpress.com My Thoughts in a Nutshell For anyone that's ever read any novel written by Evanovich, you probably don't need to read a single review to entice you because you know you'll love it strictly based on the fact that she wrote it. But just in case you haven't, let me introduce you. Evanovich pens ridiculously hilarious novels that are filled with amusing characters, crime and action and a side

order of romance. The Stephanie Plum novels will also make you really hungry for fried chicken and donuts. Don't worry, the Fox and O'Hare series won't make you nearly as hungry, but they will make you laugh so hard your sides hurt. Don't say I didn't warn you! My Review Let me start off by letting you know that The Job is the third book in the Fox and O'Hare series. If you haven't read the first two, I highly suggest you stop what you're doing and add it to your TBR! Right now! With that said, you don't need to have read the first two in order to thoroughly enjoy this one. For anyone that's ever read any novel penned by Evanovich, you probably don't need to read a single review to entice you because you know you'll love it strictly based on the fact that she wrote it. I've never personally read any of Lee Goldberg's novels outside of this series he wrote with Evanovich, but if you've read her novels, you can tell that he might be the inspiration for the world-wide escapades and conning that goes on between Fox and O'Hare. Much like Evanovich's Stephanie Plum novels, the Fox and O'Hare have a certain formula to them and they never disappoint. You've got FBI's Special Agent Kate O'Hare; she's a bad-ass with a gun on a criminal and she makes you laugh while she's doing it.
