Painting Landscapes Filled With Light

Synopsis

Paint landscapes in a whole new light! Nothing enhances a landscape like the play of light. Now you can capture its rich, illusive properties in your own paintings. It's easy and fun when you paint along with Dorothy Dent. In 10 step-by-step projects, suitable for both beginners and more accomplished painters, Dorothy shares her easy-to-master techniques for painting light-filled landscapes in different seasons, weather conditions and times of day. As she explains, it's all in learning to see and work with lighting and color value. And what wonderful landscapes you'll paint! peaceful scenes of wide-open spaces, rolling farmlands, landscaped gardens and mountain valleys. Learn how to capture: Spectacular sunsets and sunrises Dramatic light and shadow on snow Sun-speckled garden pathways Autumn's gold-lit foliage The sun-touched haze of a summer shower Sunshine and moonshine on water And much more Dorothy's projects include oil and acrylic painting demos, with advice for adapting the technique used for one medium to that of the other. With each project, diagrams showing light direction and color tonal values get you off to a good start. Then each project concludes with a "Take a Closer Look" commentary demonstrating how experts like Dorothy fine tune their paintings with those just-what-it-needs finishing touches. Prepare to be amazed by the landscapes you create! *Painting Landscapes Filled with Light* is your guide to new possibilities in your painting.

Dorothy Dent's *Painting Landscapes Filled With Light* provides ten step-by-step projects for both beginners and advanced painters who want to paint light-filled landscapes depicting different

seasons and times. Color values are surveyed in landscape projects which show how to capture sunsets and sunrises, autumn foliage, moonshine on water, and more. More than just an exercise book, each project includes diagrams showing light direction and color tonal values and a commentary on how experts fine-tune paintings such professional finishing touches.

I have many how to paint books and Dorothy Dent's are my favorite. This book includes 5 lessons in acrylic and 5 lessons in oils and her step-by-step instructions are very clear and easy to follow. She also includes exact colors to use which would be helpful to the beginner artist. I have recreated all of her pictures with surprising success. She also includes templates you can enlarge to transfer the image to your canvas. I would highly recommend this book and her other acrylic "Realistic Landscapes" step-by-step book.

Another excellent book from Dorothy Dent. From the beginner to the seasoned painter there is something for everyone to learn in this book. Her explanations of light are easy to understand and follow. Recommend highly.

I purchased this book to increase my painting skills and have found it excellent in defining light and value changes. I have used several exercises in my teaching of acrylics to older adults with great success. Dorothy is a wonderful artist and these fairly simple projects help us understand more about the mystery of how to give a painting depth and light.

Am a beginner with oil painting so ordered this book (by a recommended author/instructor) to assist in my endeavors. Many great suggestions, pictures to try, examples to benefit from, etc.

This is an excellent book for the beginner/intermediate painter. It shows step by step drawings to paintings with colors to use for each section of the picture. Would recommend this book to anyone who loves to paint.

Very good, easy to understand directions. Explanations detailed. I'm a beginner so I needed explicit instructions. Quick shipment and book in very good condition. Thanks.

I find Ms. Dorothy's book is wonderfully done. The lessons are well explained , I wish I can recreate some of her techniques, to make my paintings look such as hers.
