## Customer Reviews

This book is basically the "Fingerstyle Guitar Christmas" book from Hal Leonard Corp. with classical notation. I have both books now!! I think the arrangements are nice, not so simple yet not so difficult to play. The songs were arranged by Marcel Robinson. Let It Snow! Let It Snow! is also arranged by Marcel Robinson in the same style. The arrangements are great to play among family and friends but not on stage. If you want to play arrangements that are more technically challenging, look to Mark Hanson and you won't go wrong.

Best selection of classics arranged beautifully for the guitar. I've been annoyi-- er, make that, entertaining my family all month. I would suggest widening the selection with more classics.

This is perfect for the intermediate player...the arrangements sound wonderful and can even be played on a steel stringed guitar because of the simplicity of the finger picking. Makes me sound like

a much better player than I actually am, and the song selection has a good range of more classical, 'churchy' Christian tunes in addition to the secular stuff like Jingle Bells and Deck the Halls. My favorite Christmas song book of all time, by far. It's made much easier by the tablature alongside the traditional notation. I only wish the lyrics were included

A very nice, comprehensive collection of beautiful arrangements. My favorite is, "Good Kind Wenceslas." They are all done in good taste and very easy to learn and get down, as they are idiomatic for the guitar. Very casual arrangements. Jesu Joy is nice, but I made a few changes.

I don't find the pieces to be interesting to play. They're overly simple. I bought the book looking for arrangements I could perform, but you would be hard pressed to entertain anyone with these. Sometimes a simple piece can be moving, but not these.

This is a nice collection of christmas songs but it is one of the harder fingerpicking books I own. Not for the beginner.

Excellent arrangements! Fairly easy to play, but at the same time they sound great and full!

Songs are nicely arranged. Lots of songs not usually found in other Christmas guitar books.
