Absolutely beautifully arranged...loved ALL of these!! Includes: Abide with me, Amazing Grace, Crown Him with Many Crowns, Fairest Lord Jesus, He Leadeth Me, Holy, Holy, Holy, It is Well with My Soul, The Old Rugged Cross, How Great Thou Art, and Savior Like a Sheperd Lead us. Love this! I also have Simply Christmas and Simply Beautiful and I SIMPLY LOVE them all!

These are unique arrangements of favorite hymns. Although they are somewhat easy, they sound great, mainly due to the surprising chords he sometimes throws in. These are perfect for a church musician, since many of the arrangements can be ended partway through in case time runs short.

My playing level is intermediate/advanced and these arrangements are simple enough that I can play them the first time through. There are several things that I really like about this book. The arranger has used chords that make these simple arrangements sound good. And maybe the arrangements aren't all that simple, but they are not intimidating because the notes are not crowded

(so it looks simple). There is ample space between the notes to add your own improv and I will be doing that after I am really fluent in the arrangements as written. This book is definitely a step up from the hymn book and makes a person sound more accomplished than what they really are. LOL

I enjoy these 10 arrangements very much. They are simple enough for me to play, yet sophisticated enough to perform in church. Well worth the money.

Very playable and tasteful arrangements. To enlarge the playing time, play the standard hymn once or twice to get to the needed five minutes for a prelude.

We purchased this book at the request of my 10 year old daughter's piano teacher. My daughter has been taking lessons for 5 years. She loves the music--as do we!

Beautiful songs and arrangements, but it took over 2 weeks to arrive. Be sure to leave plenty of time if you're ordering for a special occasion.

Love the arrangements of hymns. I would like more upbeat tempo selections.
