Customer Reviews

I've listen to Steve Green for over 25 years now and I love his music because it is so good and the words always reflect Christ and His message from the Bible. Steve in every area of his life and especially in his music is the instrument that God uses and takes himself out of the picture and lets the talents God gave him be used for God's glory and praise. Steve Green's music encourages, strengthens, teaches, inspires and leads you to the foot of Christ regardless if you are going through a hard time or a good time in your life. I love these songs on this CD and his new stuff Somewhere Between and Songs of Worship are just incredibly awesome!The CD is awesome and this book is a great way to bring to life some songs I believe will end up in the hymn book of our churches to your church choir and special music programs. Songs like Find Us Faithful, People Need The Lord, God and God Alone, The Mission, Household of Faith, and on and on I could go, strong, deeply rooted songs that can bring greater depth to your worship services.

I was asked to sing a song by my daughter for her wedding. The songbook had the song Household

of Faith I needed. I had no trouble, nor did the accompaniest. Very thorough. I found other songs I will use for special music.

My son needed the music for Steve Green's song "The Mission". I typed in the search field "Steve Green The Mission" This book came up. However, upon receiving the book that song is not in it. Lots of great songs are though, so we will keep it. The item discription should really list all the songs.

My family and I are Steve Green Fans! Over the years these songs have been a blessing! It's nice to get most of his songs in this music book. My son plays the piano and loves the challenge of playing these beautiful songs!

great

Thank you. I thought a CD was supposed to be included. ??
