The Cover Art Of Studio One Records
Synopsis

As iconic as Motown was to soul, or Blue Note for jazz, the legendary Jamaican reggae label Studio One was the creation of one of music’s greatest impresarios, Clement “Sir Coxsone” Dodd. Throughout the 1950s, Dodd’s Downbeat Soundsystem was the most important sound system in downtown Kingston’s burgeoning dancehall scene, fighting off the competition of Duke Reid, Tom the Great Sebastian and others. Dodd began producing his own records in the late 1950s and in 1963, the year after Jamaican Independence, he launched Studio One. Once described by Chris Blackwell as the “University of Reggae,” Studio One is by far the most important record label in the history of reggae music, its artists comprising an A-Z of Jamaican music: it was there that Bob Marley and the Wailers, Horace Andy, Alton Ellis, Freddie McGregor, The Skatalites, Marcia Griffiths, Burning Spear, The Heptones, Toots and the Maytals and many more artists became stars. This deluxe hardback volume is the first ever to tell the story of Studio One and the many artists whose careers it launched. It features hundreds of stunning full-size Studio One record cover designs and original artwork, as well as rare and exclusive photographs, original flyers and artist interviews. As Jamaica approaches its fiftieth anniversary of independence, Studio One Records offers a timely look at reggae music’s most legendary record label and the artists and musicians that it made famous.

Customer Reviews

Excelente y muy completo aunque algunas reproducciones podrán ser de mayor calidad. A la
altura del excelente sello Soul Jazz!

A must for every Studio One lover. Just Great. A complete selection of the Studio One label Lp covers. Pure art for the vinylists. Bless

Amazing pictorial on "Studiio One", should have came with a cd.

Gave this as a gift and the recipient loved it.

The order came as requested!
