Ok, I am relearning the guitar after a 30 year break and I hate the songs that are in most of the learning books. I don't want to learn how to play Jingle Bells and Swanee River! I am a worship member at Church (vocalist) and want to play these types of songs. The book is in TAB and the chords are what any beginner should be learning: Em, Am, Dm, G, C, D, A and F. If you can play those chords you can play all 12 songs in this book and the accompanying CD is excellent to play along with. The songs are: Breathe, Better Is One Day, Forever, Open The Eyes of My Heart, Here I am to Worship, You are My King (Amazing Love), Blessed be Your Name, My Redeemer Lives, Come, Now is the Time to Worship, Lord, Reign in Me, Day's of Elijah, I could Sing of Your Love Forever.

This is a beginning guitar songbook that contains basic worship songs that are rather to easy to do, for they only require basic chord knowledge such as G, C, D, Em, Am, A, F, and Dm. It contains 12 worship songs: Better Is One Day; Blessed Be Your Name; Breathe; Come, Now Is the Time to Worship; Days of Elijah; Forever; Here I Am to Worship; I Could Sing of Your Love Forever; Lord, Reign in Me; My Redeemer Lives; Open the Eyes of My Heard; You Are My King (Amazing Love). It also comes with a CD that shows you how each song goes. However, the CD consists of other instruments in addition to the guitar, so it may get confusing if you are trying to listen to the strum pattern, but it does give the basic rhythm of the song. The lyrics are included in the book, as well. I have also found that playing the chords shown in the book on the piano or keyboard in addition to the guitar make a nice complement, and this can make the music a little bit more interesting. This book might be a little too easy for expert guitar players, but it does show the basics of well-known worship songs which makes the music relatively easy to learn.

I'm still learning how to play guitar so haven't really worked with this book much yet. It looks to be simple enough for a beginner as long as you know your chord basics. I look forward to being able to play these much loved worship songs!!!

I just started taking guitar lessons and I found it boring to practice. Practicing with the accompanying CD makes practicing fun. It makes you feel like a professional.

Great product, Great quality! Really works well, quick shipping!

Bought it for someone else.

I love this book! I am learning via TV and could follow this book well! I could already read music well!

I love this book.
