Customer Reviews

It was very nicely put together with tons of good info, lots of color photos, and recommendations But I already knew pretty much everything in here so it just sits in my book collection now

I bought this book for a gift. I did leaf through it and I thought the tips on self-image were good. Teen girls would probably get a self-esteem boost. That's why I give it 4 stars.

My daughter wants to model and she really enjoy tips from this book. I hope it will help to take her farther in her modeling career.

its very informative and came in good condition and it didn't take long to get here I would recommend it to all my friends

My daughter took this out from the library so many times, it was worth buying her own copy. Great product.
