## Customer Reviews

This is the official Taylor Swift 2017 Calendar and it's made by the same company that has produced them for years. The quality of the paper is excellent and the images are clear and vibrant. I've included photos of each of the months so you know exactly what you're getting. I definitely like the look of this one better than the current 2016 one as the photos are a bit longer and they chose some excellent shots. Highly recommended.

I've started collecting anything Taylor. These calendars are fantastic!

A LOT of great pictures but could've had more of Taylor
