## Customer Reviews

If you love the frat brothers, this book is for you! Each author has two pages filled with symbols that relate to them and their books!

I love this. This colouring book is extremely well made, with brilliant designs that will keep you busy for hours. If you're a part of the Frat group on FB, you'll want this adult colouring book and each page will carry meaning for each of the authors, if you're not in the frat, it's ok, you'll still get a lot of enjoyment from the book.

Bought as a birthday present to myself and I am not disappointed. Makes the time at work in the call centre just a little more bearable.....LOL.

Great pages!! Each author has a page or two that fit them and boy the designs and the words and all are great. Every adult needs these
