I am a big fan of Edgar Allan Poe's stories and have wished I could find a nice fantasy type coloring book that coincides with his writings. I have found that with this book drawn by Odessa Begay. The drawings are unique hand-drawn pictures that are very fantasy oriented and match quotes from different Poe stories. They tend to be somewhat larger allowing for atmospheric shading with your choice of pencils, pastels, or gel pens. The paper is thicker than most coloring books. The drawings are on both sides of the page and some are across two pages. I have not yet started to color in the book, but the drawings beg to allow me to just go crazy with color. Ghouls, jewels, cats, skulls, candles, sinking houses, tombs, and yes, ravens await.

This book is beautifully illustrated, the pictures are beautiful, dark at times. It has wonderful quotes from Poe, it gives you a better idea of where these pictures come from. It is on light cardstock, double sided so no alcohol markers. The pages cannot be easily taken out of the book, non perforated pages, some pictures go into the binding. Colored pencils will work great.

My sister sent me 5 copies of Odessa Begay's Edgar Allan Poe's Adult Coloring Book. She knew

that I loved to color and I love to color with my friends. I've started coloring and am fully enjoying Odessa's remarkable illustrations. Odessa has truly captured the essence of Mr. Poe. Her illustrations are eerie and inviting at the same time. I do have my favorite pages. Odessa has added something very special to the coloring book world. Thank you sis!

I ordered 5 of these books to share with my friends as gifts. We all love to color. Odessa Begay's book is filled with content from some of Poe's amazing prose and the illustrations are dark, mysterious, fascinating and oddly inviting at the same time. I cannot wait to get started.
