Customer Reviews

I bought my first 365 Days of Shoes at a store the first time. It is so colorful and a delight to glance at any time you pass it. I can't wear high heels, but I do enjoy the variety of choices out there. It's a LONG calendar opened up, 28 or so inches (a standard is 24 inches opened up). There is a different shoe in each date space, and enough room in the space to write notes and schedule reminders. There are a number of shoes you may find difficulty imagining how a foot can even fit in it. So much fun!

Love shoes. Love these. Get a new one every year. It's perfect for shoes freaks.
