This desk calendar caught my eye when I was looking to replace the desk calendar named 'stuff on my cat' that quit publishing due to sad passing of it's writer. I have a good laugh and this is fun to look at daily!

Bad Cats calendar is one of the cutest ways to begin the day. These innocent looking, mischievous kitties tug at your heart strings and tickle your laugh button. Keep Bad Cats on your breakfast table and read each day's entries while you guzzle your first cup of coffee. You will still be smiling when it's bed time. 2014 is our fourth year with Bad Cats and we can't wait to start 2015.

I had this calendar about Bad cats in 2014 and I really enjoyed it. I got some good laughs out of reading it. I really like the Page a day calendars. I use several in different offices in my home

I buy one of these calendars for my mother-in-law each year for Christmas. She is a cat lover and

really enjoys seeing the ridiculous pictures included in the calendar. There is a code to view something online, but she doesn't have a computer so doesn't use it, so I can't comment on that.

Bad Cat calendar is awesome, but I have to say I really miss the LOL Cheezeburger cat calendar. Each year I get one for myself and for a 'crazy cat lady' I know for a laugh a day. How can you go wrong with cats?

If you are a cat person, this calendar is for you. It makes me smile every single day. I try not to look ahead but I find myself doing that way too frequently. The pics are terrific and the verbage is always "right on." I sent three as gifts this year -- and now there are three more converts to "Bad Cat."

This calendar is cute I guess. Not nearly as funny as I was hoping. Its actually not that funny or clever at all.. But like i said, its cute and would probably make your grandma or mother smile. My wife was less impressed. Oh well, it was just a goofy xmas gift anyway.

Is so relaxing to wach photos of cats! And read the funny comments! I`m hooked on Page -a -day cat calendar since 10 years back. I can`t start a new year without it. Thank you for all beautiful pictures!
