## Customer Reviews

What a fun concept for the calendar! My friend who loves traditionally "hot" guys and baby animals is going to LOVE this present. I wish they showed a little more of abs or full length shots (several close ups of the face for some months... as if that's what the viewers want to see? Pshh.) It was mostly dogs as the cute baby animals. Don't get me wrong, the dogs were mighty cute, but I'd like to see some more variety with the animals next time. I will be looking for the 2014 calendar next year.

These guys are really hot and surprisingly yet so tender with their pets. January has handsome, fair, high cheek boned and long lashed Kyle looking tenderly with half closed eyes at his adorable little black and brown big brown eyed dog, Emma. It says Kyle likes to tell Emma all his secrets and get this, Emma likes to spread false rumors. Isn't that sweet and such a tease. I just love it! And all the pages are the same. They have guys for every taste, thin ones, real husky ones, and in between ones. They also have guys with different complexions from fair to dark. They have two African American guys and some guys that look like Latino Hot Guys and Baby Animals 2016 Wall Calendars. My mom says the guy on the cover looks like Mario Lopez and I agree. He's really cute

with a winning smile. Too many dogs and not enough cats is my one complaint.

It didn't do much for me but the girl I gave the calendar to really liked it and thought most of the guys were cute, but the animals have more fur on them than the guys. And their nipples were so so, according to the recipient

This made a great gag gift because it is a clever idea. It was the hit of the singles' white elephant Christmas party at my church. The writing in the calendar is really corny. If they ditched the writing, this would be even better.

I got this for my brother's girlfriend for Christmas because I thought she and the 2 other chicks in her office would enjoy it and it ended up being a whole office thing. Whoever does the best that week gets it hung in their office. ^o^

People love getting this for Christmas and I love giving it. This has been my staple gift for the past few years. Fun, cute and for a good cause.

Why do I need to write this review? It's hot guys and baby animals. Do we need any more than that!? Thank you to the creators of this beautiful calendar that stimulates my eyes and my imagination!

Cute animals and some cute men. But why are they wearing shirts... im pretty sure i got this calendar for the mens bodies...The man on the front cover is by far the best!
