[View larger](#) [Marvel Comics: 75 Years of Cover Art](#) From [Adi Granov's](#) Foreword: The covers have traditionally always served as an advertisement for what is inside, but along the way they developed a parallel life of their own. They are the real stars of the show and the ones who have helped make Marvel a household name, creating some of the greatest works of art from the last 75 years along the way. Includes two exclusive prints! From the Table of Contents: The Golden Age: 1938-1956 The Silver Age: 1956-1970 The Bronze Age: 1970-1986 The Modern Age: 1986-
