The Business Of Being An Artist
**Synopsis**

The fifth edition of this updated and expanded classic provides visual artists with an in-depth guide to developing and building a career as a professional artist. Veteran art writer Daniel Grant weaves the words and experiences of dozens of practicing artists throughout this informative volume to describe their real-life challenges and the solutions they found to overcome them. Grant covers everything from art gallery etiquette to the legal rights of artists, including chapters on: Making the transition from school to the working world, Searching for funding through grants and fellowships, Developing relationships with art dealers, Handling criticism and rejection, How to stay safe in the studio, Finding a variety of ways to get paid in the new economy, New to this edition are expanded sections that look at utilizing exhibition venues from sidewalk fairs to regional biennials to national parks, selling in other countries, talking with collectors about your art and yourself, avoiding the perils of defamation, transporting and travelling with art, using greener materials, and the experience of becoming an artist later in life and of artists’ children. The Business of Being an Artist is an invaluable resource for art students, aspiring artists, and professional artists who want to learn all there is to know about successfully navigating the world of art. An excellent guide to the reality, and I mean reality, of what to expect in the business side of Being an Artist. Regular updates over the years keep this information vital. This is not a how-to book, but rather a reflection of what exists in the peculiar business side of the art world. There is no business model for artists that offer a promise of financial success. Though the extensive information here offers valuable insights into the current world, the rest is still luck of the draw.

Well written. This flows nicely and gives an in-depth view of the art and having an art business.

Tremendously detailed. Perfect for a brand new artist.
