Customer Reviews

While shopping for a unique, artistic wall calendar, I encountered this Gaudi collection. The pictures are beautiful! The striking colors and contrast, interesting and unique designs, and variety of pictures are impressive. However, it is *not* a wall calendar. It is a weekly diary calendar, so it did not meet my needs. The upside is that there are 52 pictures instead of 12. Now I just have to figure out how to use it.

I sent this calendar to my sister who loves everything Spain. The photos of the calendar are all beautiful and she absolutely loves the calendar. The calendar is printed on thicker paper so it is durable and less likely to roll up at the corner. The photos are great representation of Gaudi's works.

This calendar is just as you would expect: 12 pretty photos of the work of Gaudi, primarily architectural details. By the time you get to December, you'll be planning a mosaic for your house.
