"This book will do exactly as it says. It will help you calm the "f" down. The book is awesome. It has one image per page, not front and back, so no worries about markers bleeding thru and ruining another image. I love that there are a couple of pages at the front to test your colors on. The book has awesome images and sayings. The images vary significantly so there really is something for everyone. I've included some sample images from the book to get an idea of what is inside. Amazing book for anyone who loves to color at a super reasonable price. Great gift idea. I'm buying a couple more for friends now that I've seen the inside..." - Melissa S. "I have had so much fun coloring your designs! They keep me somewhat sane when I am not feeling well. Thank you so much for putting out this book!" - Trish H. "I have so many coloring books that I've collected for the last 20 years; as a potty-mouthed b*tch, though, this is my current favorite. Can't wait for the next!" - Debbie M. "This is by far my favorite coloring book and I have tons!! Just the perfect amount of swears meets funny. Some of the swears books are disgusting. This one is perfect!!" -Gavin S. "I don't typically do product reviews but this time I'm making an exception. I absolutely love this book! Sure I'm sarcastic, sassy and have a sense of humor, and if you are too you'll love it as well. Some pages are simple, some more detailed so it's great for someone trying to just get a start in this hectic new wave of adult coloring. In the long run it makes me smile, and isn't that worth every penny?" - Anonymous "I just received this 15 minutes ago. This is just what the doctor ordered. Clearly it's not for those offended by foul language, but that should be obvious by title. I don't write that many reviews and certainly not within minutes of receiving the article. This little treasure of a coloring book was definitely worth the effort. While I enjoy my beautiful garden, faces, animals, mandalas and steampunk coloring books, Sasha O'Hara knocked it outta the park with this little

diddy. I'm glad I didn't look at the pictures in the reviews. It was sooo much better being surprised by each turn of the page and literally laughing my a** off at such lovely drawings as the titles described my true feelings. There's a few I plan on coloring, framing and presenting to a few friends. Highly recommended to those not offended by uncensored foul language. - Moodswings

Sasha Oâ™Hara gets me. She really really gets me. I have 4 kids, 2 grown and 2 young. The 2 younger ones are on the spectrum. I have a narcissistic alcoholic ex husband. I have a full time job. I have a divorce attorney who ran off with my retainer fee and didnâ™t handle my divorce. I have a house that has plumbing issues and what appears to be a cracked slab. I have aches and pains and issues that have sent me to a dozen specialists over the last year with no real improvement. I guess you can say I might be stressed out. So there is this new trend with adults and coloring books and I thought - why not. I bought some pencils and a couple books and got started. One day, the first book in the series popped up on [Amazon](#) as an item I might be interested in. I purchased it immediately because lets face it - she knows me better than anyone - my ex husband included. The day it showed up, my daughter was in the midst of a meltdown because her iPhone wasnâ™t working (she just needed to restart it) and just looking at the pictures brought me joy. I didnâ™t realize that a second book had been released until I was looking at the first book to send the link to someone that I thought could use some Sasha in her life. I immediately purchased the second book and was delighted when [Amazon](#) delivered it a day early. Once again - this book speaks to my soul. I hate 6 AM. There are days when coffee is the only thing that keeps me moving. Sarcasm and coloring are my

defense mechanisms. I'm working on not getting wrinkles. And yes - I can make wine disappear! These pictures - while absolutely silly and snarky - let me know that there are others out there who feel my pain.
