A Sketchy Past: The Art Of Peter De Seve

Synopsis

In this exquisite monograph, world-renowned illustrator and character designer Peter de Sève shows his favorite published and unpublished works. Inventive, eccentric, and often irreverent, they represent a lifetime of drawing . . . a very sketchy past. The imagery that springs from his pen marries colorful personalities with expert storytelling, and wild flights of imagination with a masterly drawing technique that harkens back to a bygone era of impeccable draftsmanship and craft. Copiously illustrated with hundreds of paintings and drawings, including never-before-published New Yorker cover roughs, behind-the-scenes animation development artwork, and personal sketches, *A Sketchy Past* is the first comprehensive survey of de Sève's work. A career-spanning biographical essay written by historian Amid Amidi, along with comments from de Sève throughout the book, offer a unique insight into his approach to illustration and his artistic process.

Book Information

Hardcover: 240 pages

Publisher: Editions Akileos (March 1, 2010)

Language: English

ISBN-10: 2355740992

ISBN-13: 978-2355740992

Product Dimensions: 10.3 x 1.5 x 12.3 inches

Shipping Weight: 4.4 pounds (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (22 customer reviews)

Customer Reviews

A hare is praying. Behind it, a wide grinning nun closes in with a chopper in hand. That's the description of an illustration "Hare Mary" published in *The New York Times Magazine*, one of the many publications to be graced by Peter de Sève's wonderful and humorous art work. Peter de Sève likes to use fairy tales or animals as metaphorical devices to enliven otherwise dry material. Not only are the drawings good, the ideas are also fantastic, probably why his work is liked by so many. *A Sketchy Past* is a 240-page collection of some of his finest work, all watercoloured unless noted, and lots of fun sketches. They are lovely and timeless. His portfolio is amazing. He has

created art for The New Yorker, Disney, Blue Sky Studios, even the Totoro Forest Project and more. There are sketches from his personal sketchbooks, drafts for his magazine work and commissioned projects, like the character designs he did for Ice Age, Finding Nemo, etc. This book is a quality publication by Akileos. It's large and measures about 16 inches diagonally. The illustrations are gloriously reproduced on thick low gloss paper, making the book slightly hefty. It's designed to draw a smile of satisfaction on your face. Other than the beautiful art work, there's also an foreword by Chris Wedge (director of Ice Age) and introduction by Amid Amidi. The introduction is actually a nice long biography about Peter de Seve. It's filled with nice details. You can read about his schooling years, his childhood heroes -- Dracula, Frankenstein, and the Mummy -- or how he built his own studio and the type of books that fill his shelves, or his relationship with people he work with.
