Swept Away

Synopsis

The emotional story of a young woman's journey as she leaves behind all the things she thought she wanted, only to discover who she really is. Number-one New York Times best-selling author Robyn Carr explores the challenges facing women today as they are valued for what's on the outside rather than the inside. Jennifer Chaise is proud of her life. Coming from nothing, she's used her beauty to her advantage and is swept up in a glamorous world of wealth and privilege as the mistress of a high-flying businessman. But when she walks in on a violent scene in their Las Vegas hotel room, Jennifer knows she can no longer ignore the truth about her boyfriend, and she flees. Desperate to escape the men searching for her, she invents a whole new persona - with a new look and a new name - as she hides out in a small Nevada town. Working as a waitress in the local diner, she finds a mentor in Louise, a retired professor who takes her in. As Jennifer begins to embrace a new life, she realizes how much was missing from her old one: a sense of community and purpose. But it's not easy to simply disappear. Her neighbor, Alex, is a cop, and while he's friendly enough, he may also suspect that Jennifer is not what she seems. Although she is under constant threat of being discovered, Jennifer is surprised to realize that for the first time, she's genuinely happy. Suddenly this real world is all she wants. But will it be enough when her past catches up with her?

Book Information

Audible Audio Edition

Best Sellers Rank: #50 in Books > Audible Audiobooks > Romance > Contemporary #723 in Books > Audible Audiobooks > Fiction & Literature #1022 in Books > Literature & Fiction > Women's Fiction > Contemporary Women

Customer Reviews

Disappointed. Another book presented as new with a new cover, name, and release date. Not fair to charge so much for a truly new book but it's cheating to charge \$10.99 for a reissue. These

reissued books or all truly new releases should be marked in some way as Nora Roberts has done. Good story the first time but not so great when you know the ending and how they arrived there. Shame, shame.

This is a reprint of Runaway Mistress and is being presented as a new book. It's great book but since they are presenting as a new book I gave it one star. I preordered it and when it arrived realized I had just finished it under the title Runaway Mistress. Going to try to return it.

I agree with these other reviews. I find it despicable that they would retitle a book and copyright it as 2016. I ordered it for my kindle because I always buy her books. Then realized that I had read it. I wrote . This is a horrible practice.

this is a reprint of an old book of the authors which is being presented as a brand new book. This is a very bad practice . I am glad I was able to return it. fortunately I had just read the original so i knew it was a old book.

I was very unhappy to find that this was a reprint with the title changed. I did not read the description through to the end before I preordered. It was shown as a new book and I love Robyn Carr so I just ordered it. I am very disappointed.

Publishers are pulling a bait and switch once again, new cover, new title, new date of release. "Swept Away" was originally released in May 2005 under the name of "Runaway Mistress", which I loved by the way, but I hate it when publishers try to rip off the unsuspecting consumers. Ms. Carr, how do you feel about your publisher's tactics? Stunts like this really, really suck!!!!

Okay, I don't read a book description all the way down to the bottom. If it's written by Robyn Carr I'm gonna love it plain and simple. What I don't like is the publisher passing this off as a new book. They send me emails telling me they're coming out with a new book and I can pre-order. This shows up new title, new cover. The publisher thinks it's real cute, because it says at the bottom it was previously published as Runaway Mistress. Now we can't trust this publisher. Better check all your pre-orders. I'm done, fool me once.

I do not care if this book was re released or new, It was a great story! I could barely put it down. I

thoroughly enjoyed the whole book. I have always took a bet on a Robyn Carr book when I see them for several years! You will not be disappointed.,
