Secret Garden Artist's Edition: 20 Drawings To Color And Frame

Synopsis

From the same ink artist and original publisher who brought you SECRET GARDEN and ENCHANTED FOREST (both international bestsellers), comes an exciting new coloring format: the poster book. Over-sized, printed on a single side on extremely thick card stock of 400 gsm, and easy to pull out for framing, SECRET GARDEN: THE ARTIST'S EDITION provides larger spaces for an easier coloring experience. This poster book features 20 enlarged designs from Johanna Basford's first book, SECRET GARDEN, currently a #1 New York Times Bestseller.

Book Information

Paperback: 42 pages

Publisher: Laurence King Publishing; Clr Csm edition (September 15, 2015)

Customer Reviews

At last! A beautiful set of artist's edition coloring prints based on Johanna Basford's fantastic coloring book adventure "Secret Garden". In the artist's edition, there are 20 beautiful prints. The format is larger than the original book at approximately 10 x 13 inches. The paper is a great weight cardstock and best of all: the prints are printed only on the front of the page. Yay! No more choices of which side or design you want to color or having to buy a second book (unless you want to, of course.) A quick check showed that my pencils, gel pens, and all markers worked well without any ink leaching through. If I decide to use watercolors, I would probably still place a sheet of freezer paper or heavy stock paper between the pages or remove the page from the book just in case something leaks through. The designs are filled with intricate details and are a mix of ones that are centered with lots of blank space around them and others that bring the design edge-to-edge. There won't be a problem with getting into the last little bits as these designs are easily pulled out from the

booklet form. The publisher put these in a format that makes it easy to color, pull apart, and then frame should you wish to do so. I am so thrilled that the artist and publisher have heard and listened to the requests of those of us who love her work. I hope to see further editions of artist's sets - both for the "Secret Garden" and for the "Enchanted Forest" and any future coloring books Ms. Basford designs. I further hope that other artists and publishers take note of how appreciated this style of book is for colorists. We spend a lot of time and money with our hobby and want good materials.
