Confessions Of A Litigation God: A Legal Affairs Full Length Erotic Novel

Synopsis

WARNING, LIMITATION OF LIABILITY AND ASSUMPTION OF THE RISK from Matt Connover, Litigation God: Please do not attempt to read my story in public, as my sexual proclivities have been known to cause squirming in your seat, squeezing of your legs together and unintentional moaning, sometimes with spontaneous bursts of laughter at random moments. If you are offended by the fact that my oral skills are just as accomplished in the bedroom as they are the courtroom, then this book is not for you. There may be moments while reading my story that you get so turned on, so hot and bothered, that your squirming and moaning could turn maniacal in nature and neither I, nor the author, are responsible for the weird looks you may get. Notwithstanding the aforementioned warnings, if you assume the risk and read my tale in public, then I recommend you carry a spare set of panties with you. You will need them and you have been warned. My name is Matt Connover. I am a Litigation God. Other lawyers quake before me. Women crawl on their knees just to spend the night in my bed and when I'm finished with them, I walk away without a backward glance. I am well satisfied with my life and there isn't a damn thing I'd change about it. That is, until McKayla Dawson came along. She was meant to be for one night only but she got under my skin, and now I want her back underneath my body. It's torture working with her in my law firm, day in and day out. But I have to think maybe the Fates have intervened to throw us together because she is unlike anyone I've ever known, and thus I need to pay careful attention to these Legal Affairs.

Confessions of a Litigation God by Sawyer Bennett5 starsl am going to start by saying this book is a

stand alone novel role in the Mattâ ÂTMs POV.I did NOT read the serial Legals Affairs in the female POV and Love Loved this book! Confessions of a Litigation God is the story of Matt Connover and McKayla Á¢Â œMacÁ¢Â • Dawson. This is the kind of book that will have you wishing you could curl up all day with it an immerse yourself in all things Matt. The way these two first meet is hot and sexy as all get up; and their reconnecting was classic gotcha. The sexual tension and the draw these two have to each other is palpable. Ms Bennett did a wonderful job at allowing the reader to feel how this connection was different than anything Matt has felt before. And his conflict with that attraction felt true to the character crafted. Mattâ Â™s POV was so well done; he was sexy, hilarious and most of all the reader is allowed to truly feel his pain and the reason why he is so determined to keep his heart out his the bedroom activities. Matt tries to overcome his fear to allow Mac into his heart but the reappearance of his ex-wife or more accurately the presence she has in his life as the mother of his child has Matt containing to struggle with opening himself up. Yes, the ex-wife is someone you may despise, I know I hate her using their son as a weapon to hurt Matt.And the use of Matt \tilde{A} ¢ \hat{A} \hat{A}^{TM} s son, Gabe and the telling of Matt \tilde{A} ¢ \hat{A} \hat{A}^{TM} s backstory ensured the reader understands Matt is capable of love, he is just determined to not get hurt again. This for me was one of the best parts of the book; Matt is not just some manwhore who does not want to committ; he is man almost destroyed betrayal; a betrayal by caused by two people close to him (nope not telling you what or who). When Matt comforts Mac during a family emergency you also see he is capable of so much love; I loved the caring man painted in these scenes and it had me truly hoping Matt could find a way to overcome his past. Mac pushed Matt but in subtle ways; when she fulling accepts what she wants I loved how she confronts Matt and tries to get him to understand pain is part of live. The use of forgiveness in the story may have you as the reader truly thinking how does hate effect my life. Matt coming to terms with his past; accepting he wants to love Mac forever so well done and it felt due to both characters; Matt offers what he things is best for them and Mac counters with her own version of happy; this truly felt like two lawyers at work. The ending of this book is epic! loved the layered epilogue and I loved that it respected Mac desire to build her own career and I loved the use of Gabe to make this truly feel like a happy that will withstand the test of time.

MAY CONTAIN SPOILERS - Oh Matt what a supreme jerk you are...with high stamina & unbelievable sex skills but it didn't override the fact that I couldn't stand him. He would use sex on Mac to get her to shut up & not be mushy, he would use sex with Mac to ease his anger & anxiety too, he would pull her close & snuggle at night & then push her away the next day suddenly wanting

to go back to a bed-buddy situation only. Matt drove me nuts! He is screwed up after a failed marriage & a cheating wife left him bitter. He uses one of hookup websites & that is when he meets Mac for the most spectacular night of his life. A repeat of many other books - Mac comes to find herself working underneath Matt in his law firm...and not underneath him in the way she wants to be. Mac is the only reason this book gets three stars from me because she is 100% perfect. When tragedy strikes Matt rushes to her side in comfort. Mac had to be going crazy from the mixed signals Matt is sending out. Mac isn't only beautiful & a goddess in the bedroom but she is smart, sweet & funny. Matt doesn't deserve her even when he gets his act together. He doesn't bring girls he's just sleeping with to his house - which he says right in front of Mac, hurting her feelings...again! It is his dad's words of wisdom that save Matt & help him to release his past regrets & grab onto something great with Mac, convincing Matt that he is only considering the risks, not the rewards. Mac needs her own book after she kicks Matt to the curb! Here is just one instance when Mac was hilarious; Matt is in the middle of ecstasy when he says "Could do this all day...all night" to which Mac replies, "Word.":)

If you enjoyed/loved and wanted more from Legal Affairs then the story from Matts POV is certainly something you need to read. There is the whole story strictly from his eyes, and there are additional scenes that obviously McKayla didn't tell from her POV. Even though Matt had been a man whore on the beginning I was so entertained and loved to hear the inner workings of his mind!I was glad that Ms Bennett didn't make him the man whore while he was with Mac because I think I wouldn't have been on his side through the story.If you are a fan of Emma Chase and her "Twisted" series you will enjoy this. Get the whole series from Mac's POV first so you can truly enjoy the story when you get to this book!Obviously this book deserves way more than 5/5 stars and in my opinion I also like to add the "hotness" rating too since I think there should totally be one for this genre of story telling!BUY this book because the ending was so \tilde{A} \hat{A} \hat{A} heart warming, especially if you love to hear. HEA!Here is my own star and hotness rating and a rating for HEA! Thanks Sawyer for bringing this story once again into my

The are just no words to describe how good this book is, i freakin loved it!Matt you stud, you are swoon worthy and Mac, what is not to love. Just the fact that she was a strong character as the leading lady made the the book because so many women in the books i have read are so weak, it was quite refreshing. Telling the story from Matt's point of view was the cherry on top, we don't often get to live in guy's heads and see how exactly they think and how they go about doing something, loved that! Holy Hot Mamma, the sex, the best sex scenes i have read, i almost combusted. Very Hott..... Fantastic book, would give it 10 stars if i could!!!
