# Ravage Me: Ravage MC, Book 1

## Synopsis

After spending the last two years stuck behind bars for a crime she didn't commit, Harlow "Princess" Gavelson's time inside has finally come to an end, and she's ready for revenge. Unfortunately, being the daughter of the vice president of the Ravage Motorcycle Club cuts into her plans, as orders must be followed. After spending years in hell overseas, Donavon "Cruz" came home to lose the very thing he went into hell for, sending him to the darkest moments of his life. Joining Ravage two years ago was his safe haven, and he protects his family at all costs. When a dark-haired bombshell struts into the club's shop, Cruz immediately knows that she's the one he'd do anything for. She's tough as nails and takes no crap from anyone, and he's captivated by a woman who could handle this life. Trying to meet the needs of the MC business and follow his heart, however, proves to be difficult when the two collide. Can Cruz and Harlow find a way to be together, or will the needs of Ravage cost them everything, including their lives? Contains mature themes.

## Book Information

Audible Audio Edition

Listening Length: 7 hours and 55 minutes

Program Type: Audiobook

ASIN: B01CONOVN2

Best Sellers Rank: #39 in Books > Audible Audiobooks > Fiction & Literature > Erotica #1196 in Books > Literature & Fiction > Erotica #16366 in Books > Romance

## Customer Reviews

7% into the book our tough as nails heroine gets wet panties and orgasms on a Harley Davidson called "Sting" in front of a bunch of bikers while her daddy is waiting outside the door. Really? I mean... really!? Is that supposed to be erotic or rather infantile and utterly stupid? After that she kills another human being on her first day out of jail. But all good, right? That's her "normal". And 18 % into the book she and her future lover boy fight each other in the ring bloody. She is such a guy... not.Nah, I don't feel the love. I really don't. The story does nothing for me.

I don't think I've ever read something quite as unnecessarily vulgar or poorly written. Sentence structure is so bad I felt myself cringing more times than I can count. You can hardly tell which character is supposed to be speaking because the writing is so disjointed. And at one point in the book I actually read the phrase "I could care less"... Could! Yikes! The female lead is really hard to like - crass, loose, foul, and overly masculine. The sex scenes are missing any sense of real connection - I feel like I read the same description of the two leads having sex at least seven times, and not one single occurrence was thrilling. I literally cannot name a single redeeming piece of it, unfortunately. I wouldn't recommend you purchase this, unless you really, really enjoy mindlessly unrealistic romance set in a biker club where everyone has a really silly nickname, has sex as if it's a brothel, and every other word you read starts with F and ends with K.

I always enjoy a book with a strong female lead & Harlow (Princess) Gavelson was definitely that. After spending two years in prison for a crime she didn't commit. And it looks like the person that set her up wants to bring her down again. But Princess isn't going to sit still & wait for it to happen, she's just not that kind of girl. Cruz joined the MC about the time that Princess went to prison. After leaving the military & losing his mother shortly after, he finds Ravage MC. The family he needs at that time in his life. A family he will do anything to protect. The chemistry between Princess & Cruz was explosive from the very beginning & only got better throughout the book. There was LOTS of hot sex, plenty of things going on to keep the reader interested. And even a great hook for the next book in the series. I really enjoyed this book. The biggest thing that would have made it better would be a good proofreader. Had the author invested in that I would have definitely given it 5 stars.

Cruz doesn't take sh\*\* from anyone nor will his girl, "before I could let the a\*\* hole know how I felt, Cruz stepped in. "Shut the eff up. You don't effing talk to her like that. You hear me?" His eyes fell as he went back to cleaning the bar." Cruz will drop anything for his girl, especially another woman, "you can talk to me anytime you want, baby." His voice melted me like butter, and I wanted to kick my a\*\* for it. I needed to keep my head on straight around this man but feared it wouldn't be an easy task. He turned to the woman at his side, "Get lost." He's so damn bossy, "no, you definitely won't but you will be under me tonight." His arrogance was annoying as sh\*\*, but the authority he gave off was making my panties wet." He can be sweet in a bossy bada\*\* biker way, "placing my hand under her chin, I forced her eyes to meet mine. "You didn't hear me right. Get your a\*\* in my room and lock the effing door. Coop's sleeping in the side room. I've got sh\*\* to take care of. You'd better be in there when I get back. If you're not, I'll come find you." He's happy when his girl is

agreeable, "I'm glad you see things my way," he murmured, before cupping my a\*\* and lifting me up as I wrapped my legs around his body and my back crashed against the door." And he's naughty and when it comes to his boy and his girl he only has the best of thoughts, "my hand began rubbing up and down on her thigh trying to calm her, but damn if her fierce protectiveness for my boy didn't make me want to eff her right here and now."

Originally read and review on 6/11/14. Harlow was raised by the Ravage MC. The daughter of the MC's president, she is an MC "Princess." Growing up hard, she became tough. When she was accused of a crime related to the club, and served time to protect her MC family. Now she is out, and she wants to rebuild her life. Cruz joined the MC after Harlow began serving her sentence. When she returns home, sparks start to fly between them. Can they find love in each other when the entire MC faces forces trying to tare them apart? I really loved this book. I am a big fan of the MC genre, and this is the genre at its best. The characters are creative and each have their own voice. The women are not passive and know how to stand their ground to get what they want. Well written and attention grabbing read.

I think Ryan did the MC World justice with the start of this series. I love Princess (Harlow) because she is tough as nails and not your typical MC woman, but when she needs to be sensitive or show her vulnerability she does. Cruz, oh Cruz is just absolutely swoonworthy. He is an ex-marine, a badass biker with a crazy babies momma. There is an instant attraction with these two, but Princess doesn't want to give in b/c he is a biker and she has a rule to stay away. Cruz wins her heart and in turn her loyalty as his old lady. Princess is great with Cooper, Cruz's son) and will do anything to protect those she loves even if it might cost her life.
