# John Sloane's Country Seasons 2017 Deluxe Wall Calendar

## Synopsis

Through his art, John Sloane seeks to preserve nostalgic places and activities before they fade away. His thoughtful and detailed paintings are glimpses of landscapes, barns, and homes from an idealized past, before the modern intrusions and hectic pace of today. He invites you to join him on his journey through the country seasons as he celebrates nature and the pleasures of traditional country living. John Sloane has once again created twelve new paintings for his popular wall calendar, now in its thirty-first year. The intricate depictions of simpler times and places are sure to please his devoted fans.

## Customer Reviews

Beautiful calendar as always. The scenes are nostalgic and beautifully colored. Each monthly scene is traditional for that month. I have been buying John Sloane calendars for years. They are always excellent quality and beautiful. They are a great size to use for notes like appointments and reminders too.

Every month is a beautiful painting! And the blocks are plenty large to write in and be able to read your schedule. These are calendars you don't want to throw out. I have even framed some of the paintings. They are so beautiful and peaceful, taking you back decades to a peaceful more relaxed era.

This calendar depicts scenes of beauty and serenity. I have recently discovered the art of John

Sloane and I feel blessed that I did. I look forward to beginning each month with a peaceful and inspiring image to send me on my way.
