# An Invisible Thread: The True Story Of An 11-Year-Old Panhandler, A Busy Sales Executive, And An Unlikely Meeting With Destiny

## Synopsis

An Invisible Thread tells of the life-long friendship between a busy sales executive and a disadvantaged young boy, and how both of their lives were changed by what began as one small gesture of kindness. Stopping was never part of the plan... She was a successful ad sales rep in Manhattan. He was a homeless, eleven-year-old panhandler on the street. He asked for spare change; she kept walking. But then something stopped her in her tracks, and she went back. And she continued to go back, again and again. They met up nearly every week for years and built an unexpected, life-changing friendship that has today spanned almost three decades. Whatever made me notice him on that street corner so many years ago is clearly something that cannot be extinguished, no matter how relentless the forces aligned against it. Some may call it spirit. Some may call it heart. It drew me to him, as if we were bound by some invisible, unbreakable thread. And whatever it is, it binds us still.

## Book Information

Paperback: 272 pages

Publisher: Howard Books; Reprint edition (August 7, 2012)

Language: English

ISBN-10: 1451648979

ISBN-13: 978-1451648973

Product Dimensions: 5.5 x 0.6 x 8.4 inches

Shipping Weight: 8.8 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (2,206 customer reviews)

## Customer Reviews

I was very torn throughout the reading of this book. Once I finished reading I turned to the user reviews on [Amazon](#) to see what others thought. I found myself agreeing with both the positive and negative reviews which made me sit back and think long and hard about things. What drew me to the book was not just the story, but the fact that the first editorial review stated that there was a "lack of excess sentimentality" As far as my tastes go, I don't like gratuitous sentimentality so that simple statement was a ringing endorsement. But the book IS sentimental, sometimes overly so, and, as other less favorable reviews have pointed out, there is a self congratulatory undercurrent at times.

There were points in my reading of *An Invisible Thread* that I would have hurled the book across the room in frustration. The fact that I was reading on the kindle app for my android phone was probably the main reason for my restraint. The author was often the hero in her stories and I found myself wondering how much of a role revisionist history played in her retelling of her childhood and even certain scenes with Maurice. Or maybe not. There are already too many spoilers here in these user reviews so I am not going to give anything away, but suffice it to say that when Laura met Michael I was so angry I wasn't sure I would finish the book. Sure, she talked about her struggles with her decisions but I think I didn't always believe her. There were a few other instances of cowardice in the book that made me cringe but then I had to ask myself whether I would be any less cowardly in some of these emotionally difficult situations. Unfortunately, the answer is probably, NO. Edit\* I should note, that along with what I am calling cowardice, Laura also showed incredible bravery and/or courage.
