# At The Water's Edge: Muskoka's Boathouses (Art & Architecture)

## Synopsis

Award-winning photographer John de Visser and lifestyles writer Judy Ross examine one of Muskoka's most striking features, its boathouses. Exteriors range from Victorian lavishness to Shaker simplicity. Some of these boathouses date back to the 1800s, some are Muskoka modern. Inside are inspired sitting rooms, bedrooms, baths, kitchens, and cherished collections of family memorabilia.

## Book Information

Series: Art & Architecture

Hardcover: 144 pages

Publisher: Boston Mills Press (March 23, 1997)

Language: English

ISBN-10: 155046082X

Product Dimensions: 10.5 x 10.1 x 0.7 inches

Shipping Weight: 2.3 pounds

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #294,178 in Books (See Top 100 in Books) #46 in [Books > Arts & Photography > Photography & Video > Architectural > Houses & Hotels](#) #53 in [Books > Arts & Photography > Architecture > Historic Preservation](#) #111 in [Books > Travel > Canada > General](#)

## Customer Reviews

You can not longer build and live so close to the water's edge but these beauties are grandfathered in on beautiful Muskoka and Rousseau, et. al. I thought of my boyhood days on a lake in Northern Minnesota. I remember smaller and less grand boathouses where the sundappled water reflected off the rafters inside. You were really one with the water. This book captures the essence of it all--I could almost smell the water, wood, paint, varnish, canvas, wet rattan and wicker--

At the water's edge Muskoka's Boathouses. This book gives the reader a chance of dreaming back to the early years of the 20th century and experience how the rich and famous people spent their weekends and holidays. If you are interested in old houses, especially boathouses, and architectural designs this book is a must. This book is my best inspiration ever. Peter Åstlund Stockholm Sweden
