Autumn Fantasy Coloring Book - Halloween Witches, Vampires And Autumn Fairies: Coloring Book For Grownups And All Ages!

Synopsis

Autumn Fantasy Coloring Book - Halloween Witches, Vampires, Autumn Fairies, features 25 images (**TWO OF EACH!**). I decided to include two of each image in case of coloring mishaps or for those of you who like to try different color schemes. This book is 50 pages to color, printed on one side of the paper only. Enjoy using colored pencil, gel pens, markers (you will need to put a heavy piece of card stock or several pieces of regular printer paper between the pages if you use markers to prevent bleedthrough). Not good for wet media of any kind. Suitable for adults and older children.

Book Information

Paperback: 102 pages

Publisher: CreateSpace Independent Publishing Platform; Clr Csm edition (July 17, 2016)

Language: English

ISBN-10: 1535343869

ISBN-13: 978-1535343862

Product Dimensions: 8.5 x 0.2 x 11 inches

Shipping Weight: 11.5 ounces (View shipping rates and policies)

Customer Reviews

The first coloring book I purchased by Molly Harrison was her first one with Halloween designs. That was one year ago and since then I have bought many of her books. She has a beautiful delicacy of design that is very appealing to me. In "Autumn Fantasy", the focus is on adult witches, vampires, and fairies. There are lots of cats, bats, owls and pumpkins as well. I recently purchased Ms. Harrison's Halloween grayscale coloring book and have noticed that the designs in this book are the line drawing versions of those. I'm thrilled with that concept as it allows me to color her designs in two completely separate ways. In her line drawing designs, I generally use both alcohol-based markers and soft lead coloring pencils to finish my projects. I did note that my book has only 24 different designs rather than 25. I don't know if that is a problem generally or if only my book has the issue. What I received was four copies of one design (a witch with a cat fairy in her

hat.) While I could wish that I had 25 different designs x 2 each, I'm still pleased with my purchase. I'll happily share my extra couple of designs with others in my family so that they, too, can come to appreciate Ms. Harrison's beautiful art. This is what I discovered while coloring in this book and testing the paper with my coloring medium. I will list, in the comments section below, the coloring medium I used for testing and for most of my coloring projects.
