## Synopsis

This is not a typical coloring book! It features authentic vintage images that were drawn a century ago. Just before the turn of the century, women found out about the latest "handsome" and "nobby" style trends from the newspaper. Between the covers of this book, you will find 47 coloring pages showing more than 80 different examples of the tea gowns and walking dresses, evening costumes and dainty frocks that were popular in the United States during the late Victorian era -- specifically, 1895 to 1899. All are lifestyle scenes, showing the newest styles drawn into a social situation or location. The definitive word on what to wear and how to wear it typically came via dispatches from Paris, which detailed the latest European fashions. This trend news was delivered on the women's page of the Sunday paper, where every aspect of the attire -- color, cut, fabric and trim -- was thoroughly described and illustrated. Although the outfits are all from a five-year span, the definition of "stylish" was constantly changing. Grand announcements about the current trends were regularly published in the papers beneath headlines like, "All About The Latest Fashions" and "Correct Cycling Dress." Take a look back to the Gilded Age, and give these clothes the color and verve they have been missing for more than a hundred years! Note: In keeping with the original designs, the pictures are often very intricate, and there are large areas of black on certain pages. We chose not to over-simplify the artwork because of the tremendous amount of detail (and personality) that would be lost in the process. ## Customer Reviews

Images are not cleanly printed. Too many black areas make coloring difficult and restrict the ability to shade, or do anything with any degree of detail. I sent it back the next day. Nice idea, poorly executed.

This book is a huge disappointment. There's nothing to color. Almost every picture has large areas filled in with black. Very few open areas to actually color in. The book was returned.

Not only are the pictures photocopies from old magazines and newspapers, the publishers of this coloring book had been the nerve to copyright the pictures forced themselves. Not to mention the fact that the very dark photocopies are impossible to color. Don't waste your money.

Old pictures from old newspapers. Not at all what I thought.
