Customer Reviews

I love patterns, so I thought I would break away from my usual calendar selections. The cover is definitely the best of the images. I could have done without the leaded glass detail for the month of April.

I was fooled again I guess. Assuming this calendar was of a standard wall size (esp. For the price..) but the images are awesome and all new and unique to me. Was going to give as gift but I know the recipient needed a FULL sized calendar.. So I guess I'll have to keep it.. In my miniature office.. (;

Wish it was bigger, but sized according to the description.
