## Customer Reviews

The introduction contained a wealth of historical information, accompanied by and followed by, amazing photographs of Russia. A treasure to have. Makes one wish they were young enough to spend a year or two visiting this land of enchantment.

This is a great book if you are looking for an overview of the changes that have been happening in Russia, their culture, and social aspects! Great pictures also!

I just received this book and was very pleased. The pictures are just wonderful. A beautiful sampling of Russia. Thank you.

Gave the book to my daughter whom we adopted from Russia nine years ago. She loves it. Many

beautiful pictures of Russia with great information. She is eating it up and I am sure will be a treasure for years to come.
