Yvonnick is a consummate artist of the chromatic harmonica and a fine teacher who is taking the instrument into the 21st century by providing a much needed resource for this great instrument! This volume is a well conceived volume for the individual who is looking to master the chromatic harmonica. Yvonnick has the right stuff and he is going to be regarded as one of the greatest jazz harmonica players: he is truly an exceptional musician with a real vision. This material is specific to the chromatic and ,as such, represents a real breakthrough in learning what works for the

instrument over various harmonic scenarios as well as including patterns from the masters Toots Thielemans, Larry Adler and Stevie Wonder. Apply his wisdom and learn!!

This book is for me the new reference for all the aspiring and professional harmonica players. Whether you're an improviser or not, whether you play Jazz, Blues, Folk or even Classical music you'll get a lot from practicing the exercises presented in this book. Not only you'll improve your technique, but you'll also train your ears to absorb a while new melodic language. The material here is shown and explained in a very clear and progressive way. Very highly recommended.

Les exemples audios soutiennent parfaitement bien le propos car il ne s'agit pas d'une méthode mais plutôt de modules d'entraînement comme je les aime ;-) Je viens de l'acheter, bien sûr, et je vous le conseille vivement !

I am a chromatic harmonica enthusiast and have been playing since childhood. Unfortunately, I have not followed any method. Some years back I decided to get serious, it was soon evident I would need guidance. Yvonnick's method is taking me to the next level fast. Just do the exercises over and over to achieve your goal. I love the short audio files, playable along with the coded charts, no more guessing! Thank you for sharing your amazing talent, with this serious guide and its humble price.

Maybe the only one book about Jazz Harmonica with all this knowledge offer to everyone! written by one of the best harmonica player around! highly recommended!
