Customer Reviews

I use this book with my soprano sax, which is in the same key (Bb), as tenor sax. These are pleasant tunes, although may be fairly difficult for students to play. I would rate it as appropriate for intermediate musicians.

I've enjoyed playing these and have made it part of my daily practice time. It's very versatile with the option of playing along or playing alone with the accompaniment. Highly recommend for any level.

This book arrived on time. The pages were clean and legible. The disk was missing from the back of the book. Songs in book are easily recognized as Disney favorites.

Excellent shape, and the music selection was very well selected. I would recommend to anyone who wanted an easy Disney song collection.

She loved this book. It is a motivator to continue learning to play the tenor saxophone.

Excellent music book and background music! Love playing this music on my saxophone
