Just Type 2016 Wall Calendar

Synopsis

What's your type? Tall, dark, and roman? Broad, bold, and italic? Bodoni or Bauhaus, it's a yearlong exploration of the finer points of a dozen iconic typefaces, including the one that gave the Declaration of Independence its distinctive gravitas. Each month introduces a new font, then decodes it by outlining its defining features, illustrating its range of iterations, and illuminating its history and development. All that detail makes this calendar just as fascinating for typography aficionados as for those with a casual appreciation for good design or a curiosity about how the world of type came to look the way it does.

Book Information

Calendar: 28 pages

Publisher: Workman Publishing Company; Wal edition (August 15, 2015)

Language: English

ISBN-10: 0761183248

ISBN-13: 978-0761183242

Product Dimensions: 11.6 x 11.8 x 0.2 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.1 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #99,074 in Books (See Top 100 in Books) #62 in [Books > Arts & Photography > Graphic Design > Typography](#) #454 in [Books > Calendars](#)

Customer Reviews

I bought this last year too. Has plenty of room for copy on each day. A large calendar...it opens both sides for one month. Also if you're a type nut it's got an OK grouping of typefaces. It would be nice if every year it really changed the look up some. They sort of look the same each year and a real designer could make the type more interesting.

I really liked this calendar last year - helps alot with ideas for work I do with making posters and signs looking forward to the 2016 calendar!

As a type nerd I get this calendar every year. It never disappoints. Another great benefit is that every year the fonts are different, so as I collect them I actually have a great font resource.

This has been my go-to calendar for the past 2 years. I enjoy learning about the typefaces featured

each month and like the look of it.

Pretty and informative, but the paper is low-bond and, thus, prone to curling. The price seemed too good to be true. It was.
