The Neverending Story

Synopsis

In this classic fantasy novel from author Michael Ende, small and insignificant Bastian Balthazar Bux is nobody's idea of a hero, least of all his own. Then, through the pages of an ancient, mysterious book, he discovers the enchanted world of Fantastica, and only Bastian himself can save the fairy people who live there. Shy, awkward Bastian is amazed to discover that he has become a character in the mysterious book he is reading and that he has an important mission to fulfill.

Book Information

Audible Audio Edition

Listening Length: 13 hours and 46 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Tantor Audio

Audible.com Release Date: August 28, 2012

Best Sellers Rank: #50 in Books > Audible Audiobooks > Children's Books > Classics #198 in Books > Audible Audiobooks > Children's Books > Science Fiction & Fantasy #332 in Books > Audible Audiobooks > Children's Books > Fiction

Customer Reviews

Like everyone else, my remembrances of childhood contain hazy memories of Atreyu doing battle with Gmork, and a young Barrett Oliver as Bastian yelling "I will do what I dream!" So, in a mood to reaffirm my youthful fantasies, I picked up a copy of Michael Ende's 1979 novel upon which the movie was loosely based, "The Neverending Story". I was not surprised that the largely dark tone of the movie was, of course, much darker, deeper and much more sustained in the novel. But I am not here to compare the book to the movie, both of which are classics in their own right. Like the best of what is considered children's literature, "The Neverending Story" has an appeal and a depth that literally begs for continued readings as one grows older. A novel about growth, maturity, the power (fraught as it is) of imagination, and the necessity of books to provide us with different perspectives on our world, "The Neverending Story" is a challenging children's novel which respects its readers enough to not treat them like children. "The Neverending Story" begins as Bastian Balthazar Bux, a fat little ten year old, picked on by his classmates and teachers, and ignored by his father, runs from the torments of his classmates one rainy November morning before school. Ducking into Mr.

Coreander's vintage book store, Bastian suddenly finds himself in a state of mind that portends that he has come here for a reason. Following a brusque chat with Mr. Coreander, Bastian is drawn to a book the old man was perusing, titled "The Neverending Story," bearing a logo of two snakes in an ouroboros pattern. Grabbing the book and ditching school, Bastian hides in the school's attic and begins to read a book that will change his (and our) life.
