Chalk-Style Holiday Coloring Book: Color With All Types Of Markers, Gel Pens & Colored Pencils

Synopsis

All the beauty of coloring with chalk but without the mess! These 32 hand-drawn Christmas designs feature all of the charming imperfections of original chalkboard art. Relax and fill them with color to create your own rustic-chic masterpiece. From wreaths, mistletoe, and snowflakes to eggnog and hot cocoa, these happy holiday images evoke fond memories of sweet celebrations. Each festive white line illustration is presented on a textured black background, just like a real chalkboard. You'll be delighted by the way warm colors, bright colors, neons, and lighter pastel shades really pop from these designs. Use light-colored pencils and gel pens to personalize your work with lettering, flourishes, and patterning. Talented chalkboard artist Valerie McKeehan provides useful coloring tips and tricks, along with beautifully colored examples to help get you inspired. Printed on one side only of high-quality, extra-thick paper, each perforated page detaches easily for gifting or display.

Book Information

Series: Chalk-Style

Paperback: 80 pages

Publisher: Design Originals; Clr Csm edition (September 1, 2016)

Language: English

ISBN-10: 1497201640

ISBN-13: 978-1497201644

Product Dimensions: 8.5 x 0.2 x 10.8 inches

Shipping Weight: 9.6 ounces (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars Â Â See all reviews Â (3 customer reviews)

Customer Reviews

I really enjoy the designs in this coloring book but there are some issues with the formatting that I really do not like. I love the designs but some of them have needlessly been made difficult to color. The designs are primarily Christmas in nature but some are a little more generic. I finished one of cups of hot cocoa to be generic while the sample showed it in Christmas colors. The designs are in chalk-style and the backgrounds of these designs are not a pure black as others have been. They have a kind of used chalky look to them which makes them a little more gray in tone than black. It

gives it a very realistic look. In my recent coloring books from this publisher, they have altered their format and the designs which are shown as colored samples in the book are no longer provided in full page format. They are included as medium designs with a thumbnail of the color sample, a few samples of the colors used and a quick sentence or two about the how the colors work with the design. At first, I wasn't sure how I felt about this change but now that I have worked with a couple of these books, I must say I really do not like the change. I want the pages in full size for both ease of coloring and for consistency with the other pages in the book. The shrinking of the designs has made some of the details small and intricate and difficult to color. Simply put, I wish they would go back to the old format and perhaps include the information on the sample color pages. While I didn't detract stars in my rating because of the format as I do color in books that have intricate details, the new format makes me less inclined to want to purchase their coloring books in the future.
