The Bridges Of Manhattan: Project & Photography By Philippe Bouclainville

Synopsis

Explore Manhattan through its connections. New York-based photographer Philippe Bouclainville has captured each of Manhattan's bridges in this stunning black and white collection, challenging us to see them not only as passageways, but as monuments. Ideal for anyone with an interest in architecture, history, and New York.

Customer Reviews

The only book that shows all the bridges of Manhattan. Beautiful photography of some of the most important structures on the greatest city in the world. Philippe has a great eye to capture the stillness, boldness and importance of these bridges. At the same time his story makes us look at the bridges not only as tools, but as crucial to our existence in New York City. Inspired by love, this book should be in every New Yorkers coffee table.
