Beautiful coloring book with lightly sketched pages of good quality paper, each labeled with the painting's name. I have been able to download all paintings from the internet to serve as keys for reproducing these pictures.

So much fun! Coloring is generally therapeutic, and working from well known masterpieces to reimagine color schemes and textures is really enjoyable. The back cover is hard cardboard, so the surface is easy to use wherever you may be. The paper is high quality, and though I am using brush tip art markers, I have not had any issues with the ink bleeding through. I am very pleased.

Best adult coloring book I've come across. Challenging and not rigid. Highly recommend.

I bought this as a gift for someone who likes the works of Van Gogh. The person was not disappointed. The book is well-made and will provide hours a coloring. I would buy similar products in the future.

Gorgeous coloring book with thick paper. I love the strokes that are there to paint. This is very well done. I also like that it is thick and has a piece of chip board to hold it flat and is a nice surface to color on.

I bought this book as a gift. The paper is good quality and thick. Images are printed on only one side. Although the pages are not perforated, it would not be too difficult to tear pages out or cut them out in order to color more easily if desired. Included are color plates of the paintings, so it's a nice reference guide if desired.

This coloring book is wonderful!!! I ordered one for my self and a friend. We both love Van Gogh's work and enjoy making his artwork into our own color styles A lot of fun and relaxing enjoyment

Got this for my mom for Christmas and she absolutely loved it!! It arrived super fast and was in perfect condition when I got it. I may even have to get another one for myself
